

# THE FOUR AMBASSADORS ASSOCIATION, INC.

October 20, 2015

To Whom It May Concern:

America's Best Painters are a very professional and efficient company. The management and supervisory staff listened to our recommendations and were respectful of our residents and their personal property. Supervisory staff would contact me frequently to make sure that we were satisfied with the work being performed.

As a property manager, I work with many contractors and I can say, without hesitation, that I would highly recommend America's Best Painting and Waterproofing Services, Inc.

Sincerely,

THE FOUR AMBASSADORS ASSOCIATION, INC.
